Benefits

- Secure Document Processing
- Reduce Costly Reruns
- Improved Productivity
- Simplicity of Design
- Easy to Learn & Operate
- Compact & Durable

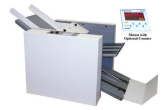

PS Mailers revolutionized the market by making pressure seal affordable for small businesses. Now, PS Mailers continues to transform the market by offering a complete line of pressure seal folding/sealing equipment. Customers of any size, small to large, now have a PS Mailers solution that fits their needs.

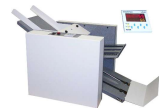

The expanded PS Mailers folder/sealer line offers reliability & durability never before seen in a pressure seal solution. The simple design makes it easy for users to learn & operate the system. The flexible fold settings make it easy to switch between a variety of fold types – standard or custom. Backed by nationwide service, PS Mailers are a solution you can count on.
